

LOUIS PAUL PRODUCTIONS

MAGIC OF LOUIS PAUL PERFORMANCE REQUIREMENTS

Louis Paul is very flexible in his requirements of a performance space. However, to ensure a successful performance, I ask that the Sponsor provide the following:

• STAGE/PERFORMANCE AREA

- _____ Clean and level stage / platform
- _____ Minimum dimensions of a 12' wide X 8' deep
- _____ If sectional stage is provided, all sections must be securely locked together
- _____ If stage / platform is over 12" high, steps must be provided

• SOUND

- _____ Artist travels with a complete sound system

• LIGHTS

- _____ Good, well lit performance area is needed

• DRESSING ROOM

- _____ A clean, private room, well lit, with sink and mirror

• SET UP TIME

- _____ 2 1/2 hours before house opens (ie: if house opens at 7:00PM, artist would arrive to unload and set up equipment at 4:30PM. If the performance follows a dinner, artist would arrive 1 hour before dinner starts to load in and perform sound check and props).

• STRIKE TIME

- _____ Approximately 1 hour after performance. The artist would be happy to meet, greet after the show upon request. Please note this may add to the strike time.

• DIRECTIONS

- _____ Please provide directions to the performance site.

- **HOSPITALITY**

_____ Cold fruit juices and bottled waters are requested.

- **PARKING**

_____ Please provide one (1) reserved parking space at load in area of performance.

- **RECORDING**

_____ No part of the performance is to be recorded by any means without prior written permission from Louis Paul.
